POLICY SHEET

NEW STUDENTS

Intake for new Yamaha Music Education System (YMES) classes occurs in the Fall (September), and Spring (February) semesters. Students enrolling for the Junior Music Course (JMC) must have reached their 4th birthday by September 1 or February 1. For the Young Musicians Course (YMC), students aged 6 to 8 years are eligible for enrollment.

CONTINUING STUDENTS

All continuing students are encouraged to re-enroll at the end of the Spring Semester (May-June) to ensure placement in the continuing levels. Registration from the Fall to Spring Semesters is automatic.

CLASS SIZE

The minimum class size of 4 students is required for Yamaha group lessons. If there are less than 4 students in a pre-registered class, you may be contacted and arrangements made for an alternative class time. Returning classes may also be regrouped where necessary, and according to the students' levels.

TUITION & PAYMENTS

Tuition discounts are provided for full (5 months) semester payments.

A discount amounting to 10% of the total tuition is also provided for families with 2 or more enrolled students. Tuition fees are due on the first lesson, after which a \$15 penalty charge is applied.

Tuition payments should be made at THE BEGINNING OF EACH SESSION to the Village of Pinecrest. Payment for course materials should be made to SharpMinds Music Academy

WITHDRAWAL & REFUND

The refund policy is only applicable for full semester enrollment.

Formal written notification must be provided 2 weeks prior to withdrawal from the course.

Non-attendance is not accepted as a withdrawal.

ABSENCES

Regular attendance is important for your child's successful participation. There is no tuition deduction for missed lessons. In case of absences, students should follow-up with the class teacher regarding the class assignments. Students may attend another class of a similar level, where notification should be made to the teacher to ensure availability of space in that class. Written notification is required for students who leave on vacation for more than a month.

CONCERTS

Students will be performing in concerts (once or twice annually), and a Concert Fee of \$10 per student per concert will be charged.
